## 5-STAR ABATON ISLAND RESORT & SPA, CRETE TO LAUNCH IN APRIL 2018

ADMIN JANUARY 9, 2018 COMMENTS OFF

Opening in April 2018, the 5-star **Abaton Island Resort & Spa**, Crete provides a personal sanctuary for all its guests, guaranteeing an amazing holiday with 152 uniquely designed rooms (71 with pools), ultra-luxurious interior design, fine dining on the water's edge and exceptional guest service.

The inspiring design, style and grandness of **Abaton** are apparent on arrival. Marble staircases, fountains of lights and historic architecture frame the entrance. The hotel is designed to reflect a beautiful maze, with each room leading to another and never failing to impress.

To capture the true reality of the feeling and emotion of arriving at **Abaton**, the hotel has decided to mark its opening with a brand new storytelling video.

The concept was based on a modern take of the Legend of Ariadne's Thread.

**Owner George Kaloutsakis commented:**

“*Guests often want to take a break from the stress of everyday life and Abaton provides a place to unwind, relax and enjoy. We want all our guests to feel their best with us, to explore Abaton and leave feeling refreshed.*

*Each guest is extremely important to us, we acknowledge their individual needs and go the extra mile so that each visitor can really find their personal sanctuary here at Abaton”.*

**Abaton** is already making a name for itself due to its exceptional hospitality and attention to detail in guest relations.
